VOLUNTEER EXPERIENCE

Assistant Cheerleading Coach

Malden Pop Warner, 2018

After cheering with the Malden Cyclones as a child and participating as a student demonstrator in highschool, I became an assistant coach for the 2018 Tiny Mites. I worked with children ages 5 to 7 and taught them both athletic and interpersonal skills. I was responsible for choreographing routines, encouraging self-esteem, and communicating with student demonstrators and parents.

WORK EXPERIENCE

Gymnastics Instructor

Metro North YMCA, 2018-Present

At the YMCA, I taught gymnastics to children of varying from ages 18 months to 13 years. In my toddler classes I was responsible for introducing different equipment/appartuses and encouraging good listening skills. In older classes, I was responsible for teaching gymnastics to a variety of skill levels, ensuring athletes know safe techniques and proper etiquette. As multiple classes took place at the same time, I was accountable for maintaining our class schedule and keeping athletes engaged in each event. I continue to work as at the YMCA during school breaks as a camp counselor, where I guide a small group of athletes through gymnastics skills, arts and crafts, and small group games.

EXTRACIRRUCULARS

Senator

Residence Hall Association, 2019-Present
Co-recipient of the Senator of the Year Award

After previously serving as a Floor Representative and Vice President of Programming and Community Development for the Cumberland Hall Council, I currently am a Senator for the Denton Community Area Council. I serve on the Diversity and Inclusion Action Committee and the Dining Services Advisory Board. In this role, I represent residents while debating and deciding upon proposed resolutions that will create positive change for on-campus students.

Peer Mentor Captain

Scholars Peer Mentors, 2020-Present

In this role, I help Public Leadership freshmen transition to college life by planning social events and acting as a resource for information and advice. As Captain, I serve as the middle-man between program coordinators and other Public Leadership mentors, communicating important information/deadlines, helping with brainstorm process and overseeing peer mentor progress.
